

YUDI ARDIANSYAH SAPUTRA

Pangandaran, West Java | yudi.ardiansyah.s.123@gmail.com | +6285314183307 |
Student ID 230310220026 | <https://www.linkedin.com/in/yudi-ardiansyah-saputra/>

Tropical Marine Fisheries students at Universitas Padjadjaran who are active in organizations and research projects, with interests in scientific diving, tropical marine biology and ecology, biochemistry and aquatic productivity, marine ecotourism, and marine ecotoxicology, are experienced in planning and managing activities, and are supported by critical thinking, effective communication, problem solving, teamwork, and resilience under pressure.

EDUCATION

Tropical Marine Fisheries, Universitas Padjadjaran 2022-Present

WORK/PROJECT EXPERIENCE

FISHERIES PORT ENUMERATOR
Cikidang PPI Port, Pangandaran 2023

- Collecting and recording data on fish landings, types of fishing gear, and fishing vessel activities at Cikidang Fishing Port.
- Inputting, verifying, and managing enumeration data into administrative formats (logsheets and digital databases) to support fisheries statistics reporting.

RESEARCH INTERNSHIP
PKKM Marine Science, Pangandaran 2024

- Conducted field data collection in coastal and marine ecosystems (beaches, mangroves, and coastal waters).
- Assisted in data processing, preliminary analysis, and reporting for environmental and coastal resource assessments.
- Collaborated with research teams and relevant institutions in a multidisciplinary fieldwork environment.

RESEARCH ASSISTANT (LECTURER RESEARCH PROJECT)
Universitas Padjadjaran, Dusun Masawah, Pangandaran Regency, West Java, Indonesia 2023-2025

- Assisted in a lecturer-led research project on the economic potential of salt production for addressing stunting at the community level.
- Collected and documented field data through observations, interviews, and stakeholder coordination.
- Supported basic data analysis and reporting to inform research outputs and community-based policy insights.

RESEARCH ASSISTANT-MANGROVE CARBON STOCK ASSESSMENT
Pangandaran Climate Research Team, Universitas Padjadjaran 2024-Present

- Conducted field data collection for above-ground carbon stock assessment in mangrove ecosystems, including vegetation measurement and biomass estimation.
- Assisted in data processing, carbon stock calculation, and interpretation to support mangrove carbon assessment at the local scale.
- Contributed to the preparation of research reports and a scientific manuscript entitled "Exploration of Carbon Stocks Assessment in Mangrove Ecosystems in Pangandaran".

LABORATORY ASSISTAN-MARINE FISHERIES TROPICAL
Marine Fisheries Tropical Laboratory, Universitas Padjadjaran 2023-2025

- Assisted in laboratory and practical sessions for marine fisheries courses, including Widya Selam, Scientific Diving, Fishing Vessel, Fishing Ground, Navigation, Geographic Information Systems (GIS), and Fisheries Conservation.
- Supported practical instruction, equipment preparation, and student supervision during laboratory and field-based activities.

ORGANIZATIONAL AND COMMITTEE EXPERIENCE

• Project Officer, CCU Movement Implementation and Elementary School Reading Interest Socialization.	2022
• Head of Event Division, Debate Contest (HIMATROPS Program).	2023
• Head of Event Division, One Day with Fishermen (HIMATROPS Program).	2023
• Project Officer, Tropical Marine Fisheries Study Program Cadre Development.	2023
• Head of Event Division, LinkedIn Seminar.	2023
• Head of Transportation, Logistics, and Communication Division, Desa Cerdas Program (Community Service Department, BEM PSDKU Unpad Pangandaran).	2023
• Head of Public Relations Division, PSDKU Sports Week (Interest and Talent Department, BEM PSDKU Unpad Pangandaran).	2023
• Secretary I, PK PMII Padjadjaran Pangandaran.	2023
• Staff Member, Community Service Department, BEM PSDKU Unpad Pangandaran.	2023
• Public Relations Staff, Lentera Mengajar Community.	2023
• Vice Head of Public Relations Division, Unpad Goes to School (KMP).	2024-2025
• Vice Head of Student Resource Development Division, HIMATROPS.	

TRAINING

Nature Tour Guide Training and Certification (BALAWISTA) Lifeguard, Pangandaran	2021
Balawista, ISLA, Pangandaran	
Course Microsoft Word & Microsoft Excel	2022
LKP Technoport, Pangandaran	
Unpad Student Leadership and Management Training (LKKM)	2024
Universitas Padjadjaran, Pangandaran	
PKD II West Java PK PMII STITNU AL FARABI	2024
Persatuan Mahasiswa Islam Indonesia, pangandaran	
Hazardous And Toxic Waste using and management	2024
ISCO, Jatinangor	
License Scuba Diving "Open Water Diver"	2024
ADS International, Kepulauan Seribu	

SKILLS

- Microsoft Office
- Marine Mapping Tools
- Open Water Diver
- Teamwork

ACHIEVEMENTS

Participant in the ISCO international student poster competition	2024
1st Place Debate Competition, Himatrops Universitas Padjadjaran	2025
Poster Presenter, PIT-ISOI XXI Conference, Marine Debris and Marine Pollution	2025
